

# Morphett / Hutchinson Streets Precinct Upgrade Stage 2 Streetscape Update 8

3 July 2014

## Arbour Installation to Commence

To provide a safe work environment for contractors as well as road users and pedestrians during the construction of the four arbours, there will be temporary full road closures for Morphett Street east and Hutchinson Street north.

- **Morphett Street east** will be closed to through traffic from 7am Saturday 5 July until close of business Friday 11 July 2014.
- **Hutchinson Street north** will be closed to through traffic from the Morphett Street intersection to the car park entrance at Mt Barker Central for two days. The contractor has advised that this is anticipated to occur Tuesday/Wednesday but is dependent on progress of works in Morphett Street east and on suitable weather for this installation.
- Variable message boards will be placed on the four approaches to advise road users of the road closure and detours will be in place.

## Bus Stop Temporary Relocation

It is expected that the entrance to Barker Plaza car park from Hutchinson Street south will be closed for one day during the week of 7 July to accommodate paving and bus shelter footings for later installation of the permanent shelters. Bus stops have been temporarily moved to Gawler Street while this work is undertaken. The Barker Plaza car park will remain accessible via Stephen Street.

## Feature Work Progressing

Paving is progressing in Hutchinson Street north western side (vacant block) and Morphett Street west on both sides.

The feature wall in Morphett Street east (southern side) is nearing completion and will be followed by paving to complete this area.

The Plaza area is taking shape with the installation of stone walls, seating, paving nearing completion.

## Regular Update

Regular updates on the progress of the works will be posted to Council's website <http://www.dcmtbarker.sa.gov.au>.

## Council's Contact

Should you require any further information or have any queries as works progress, please contact Council's Contract Project Manager, Mr Ian Powell, on telephone 0408 970 966 or email [council@dcmtbarker.sa.gov.au](mailto:council@dcmtbarker.sa.gov.au).
